## About HCCEF...

HCCEF is an independent charitable organization, registered with the Canada Revenue Agency. Since 2012 we have partnered with the Halton Catholic District School Board (HCDSB) to support their students and families in need.

Schools identify the student or family in need, and apply to HCCEF for assistance. Funding is used to purchase basic necessities (i.e. food / clothing) or to provide equitable opportunities at school (i.e. school trips / experiences). We do not receive any direct funding from HCDSB.

**Once a need is identified, the Student Guardian Program must be able to financially address that need.**

**Donors make this possible!**

An estimated 3600 HCDSB students.**

## Poverty remains a powerful factor in whether a student succeeds in school.

### HCCEF Mission Statement

- To help HCDSB students succeed at school by providing financial support to families in need.

### HCCEF Vision Statement

- All HCDSB students have equitable opportunities at school, regardless of financial barriers.

"Once the child's home life was more stable, she was able to learn. So this child with a mild intellectual delay is now working towards her high school diploma, which has changed her life and her life trajectory incredibly."

- HCDSB Social Worker

"This is a great opportunity for this student as parents are divorced and they are not amicable at all. Parents are often fighting especially in regards to finances, and the children are often in the middle. This has been a great help to ensure that this student is able to experience the Grad trip with his classmates."

- HCDSB Principal
