

HELPING STUDENTS IN NEED TO SUCCEED IN SCHOOL

MARVIN DUARTE - BIO

I am the Chair of the Halton Catholic Children's Foundation and also am a Trustee for the Halton Catholic District School Board (HCDSB) from Milton. I currently serve as the Vice-Chair of the Board of Trustees.

I have a degree in Electrical Engineering and I work with L3Harris in Burlington as a Senior PCB Designer. I have worked in the Electrical and Electronics industry in Manufacturing and Design Engineering of Hi-Tech products for 30 years and have simultaneously run a very successful business for over 10 years in the past.

I have been deeply involved with schools and school councils in Milton, having been a member of six (6) different school councils in various capacities over 10 years. For four (4) years, I was the President of Conquest Milton, where I was involved with setting up processes and systems while exponentially growing the club.

I am also an active member of Holy Rosary Parish in Milton, a member of the Knights of Columbus, active volunteer with Food 4 Kids - Milton and a member of the Milton Chamber of Commerce.

Over the past 20 years in Canada, I have been touched by the abundant blessings I have received and thus have been actively involved in fundraising and giving back to the community. I am extremely passionate about helping children succeed as they are the future!
