

HCCF's 24 HOUR FAST Toolkit

Our **24 Hour Fast Planning Committee** has prepared this **Resource Toolkit** to assist participating schools/teams with some helpful tips to help each group achieve their personal fundraising goal.

HCCF's 24 HOUR FAST Toolkit

As we approach the beginning of the Liturgical season of Lent, we invite you to consider the Halton Catholic Children's Foundation **24 Hour Fast** event for your **school community's Lenten initiative this year.**

The 24 Hour Fast is an annual event organized by the HCCF which encourages those in HCDSB to come together to support children and families in need in our Halton Catholic community through prayer, fasting, and almsgiving.

Students, staff, and members of the larger community participating in the event can **FAST** from a variety of things including **social media, video games, television, fast food, coffee** – *the options are endless.*

After creating a team on the CanadaHelps.org website, Team Members can invite friends and families to join the cause or to sponsor them, similar to a Walk-a-Thon.

Team members can create their own page, or donate to the team as a whole

Individual classes can create fundraising pages, where Parents/Guardians can donate.

Schools may also opt to use School Cash Online, whatever is easier!

Special Lenten Edition

"Blow the trumpet in Zion; sanctify a fast; call a solemn assembly; gather the people." (Joel 2:15)

With Ash Wednesday a week away, we need to get serious about how we are going to make Lent meaningful for ourselves and those to whom we minister. And rest assured that I consider any work we do for others, directly or indirectly, to be a ministry, so that all of us who work in education are called to minister to others. One cannot give what one does not have so this is the time to fill ourselves up in the best way possible through our relationship with God so that we, in turn, have spiritual, emotional and physical energy to give to others. The first reading for Ash Wednesday, from the book of Joel, reminds us every year that we need to take stock of ourselves, be repentant for the ways we have strayed away from God and practise fasting and prayer. But, the second reading reminds us that we are ambassadors for Christ, that "now is the acceptable time; see, now is the day of salvation!" (2 Corinthians 5:20-6:2) The words of Jesus in the gospel for that day (Matthew 6:1-6; 16-18) warn us off false piety and just bid us to go about the practice of almsgiving, prayer and fasting in a quiet and unobtrusive way; thus, we live our discipleship with joy and not acting as if we are being deprived. With that in mind – and the admonition to wash our faces and not be like the hypocrites – we need to put our effort into the actions that the Ash Wednesday liturgical action foretells. The ashes are a valuable reminder of what Lent is about but have no significance unless we wear them to promise a change of heart and action.

Shrove Tuesday needs to be more than just a day to eat pancakes before we give up the chocolate; it needs to be the day we all commit ourselves to a deeper and more meaningful journey and conversation with Christ. That includes our commitment to the principles of *Renewing the Promise*, to be communities in which we accompany each other in the discovery of our shared story with Christ and how each of us is loved. We are called to be a part of the "New Evangelisation" which builds deeper and lasting relationships with Christ and with

each other. Our faith calls us to live the gospel values of faith, hope and love (1 Cor 13:13), "to do justice, to love kindness, and to walk humbly with [our] God (Micah 6:8) in a way which transforms us and invites others to join us – to become joyful disciples. For the record, the practice of eating pancakes on Shrove Tuesday is a cultural – rather than a religious – practice; it doesn't even figure in the Ordo or Liturgical Calendar. We see it as an opportunity to celebrate community before beginning our Lenten journey. Historically, it was a day to empty your kitchen of all rich foods – butter, eggs, sugar
